

Pinecrest Patriots Band Together 2022-2023 Sponsorship Opportunities

Pinecrest High School Band performs throughout the year in both concert season and marching season. Each year, the Marching Patriots compete in various competitions as well as participate at local events and parades within our community. The band room has become host to a wall of trophies that affirms the tireless hours and dedication to their music and performance.

The Patriot Band program is funded by student family contributions (fees) and donations from the Pinecrest Band Boosters. Each year, the boosters will need to raise over \$25,000 to fund the purchase of music as well as new instruments, instructors, scholarships, transportation, uniforms, competition fees and other band related expenses. Currently there are over 80 students in the band program and we are striving to double this number in the coming years.

We would like to take this opportunity to solicit sponsors to ensure another successful band program at Pinecrest this year. We offer many different levels of sponsorship. Please consider supporting our Pinecrest High School Band by reviewing the sponsor levels on the backside of this form. Pinecrest Band Boosters is a 501(c)(3) organization and you will be provided a receipt for your tax deductible donation.

It is our goal that every student that desires to play will be given the opportunity, your generosity will ensure that will happen. Should you have any questions please feel free to call me on my cell phone at 910-725-9838 or email the boosters at pinecrestbandboosters@gmail.com
We thank you for your time, consideration and support!

Sincerely,

Kelly Chance
2022 Band Booster President
